

Kingsway Education

Kingsway Education is the accredited Australian training centre on behalf of China centre for international educational exchange which is affiliated with the Ministry of Education of the People's Republic China.

With the help of our China partner's nationwide network and 20 plus years of experience, Kingsway Education has been devoting herself to enhance the education exchange between Australia and China.

Kingsway Education is making great efforts to create a main platform for training high quality personnels for China and provide good education programs for Chinese students to study in Australia to meet opportunities and challenges in the new century.

Kingsway Australia has a strong advisory board of experienced experts and consultants, a young and dynamic management team and above all, a company culture dedicated to deliver the best possible experience for our valuable customers.
